## **TIPCO Technologies Adds Location in Seven Hills Region**

*Newest Branch and Aeroquip Express Hose Center to Open October 17 in Lynchburg, VA*

OWINGS MILLS, MD – September 20, 2010 – TIPCO Technologies, the largest distributor of hose and related products in the Mid-Atlantic region, is pleased to announce the opening of their eighth and newest branch in Lynchburg, Virginia. Headquartered in Owings Mills, Maryland, TIPCO is a family-owned business that has been in the Mid-Atlantic region for more than 120 years and embraces a Customer First, Always philosophy.

“We look forward to servicing the entire state of Virginia for our premier suppliers, which include world class brands such as Eaton Aeroquip, Goodyear Engineered Products, Parker, OPW Engineered Systems, Campbell Fittings and Dixon Valve and Coupling,” said Robert Lyons, Jr, President of TIPCO Technologies.

The new TIPCO Technologies branch is located at 2105-B Graves Mill Road in Forest, VA 24551 and can be reached at 434-385-1615. The Lynchburg branch will be staffed with a mix of current TIPCO employees and local, seasoned veterans in the industry.

“The Lynchburg region is a strategic fit for our growth plans in the state of Virginia, which boasts an abundance of manufacturing, construction, logging and OEM export business” said Lyons. “We look forward to providing flexible solutions from our premier supplier partners and to contributing to the local business climate of the Seven Hills region.”
