Subject: Confirmation of STAR Status
Ref: Underwriters Laboratories, Inc. (UL) STAR Audit

Dear Rob,

Continental is very pleased to congratulate the **Tipco Technologies, Inc.** on retaining your STAR status for the year 2019. The Continental STAR designation offers unrivaled distinction in your local trading area as well as in the national marketplace as it confirms your status as apart of the Continental Authorized Distributor program.

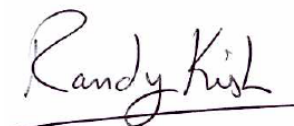

With our partner, Underwriters Laboratories, LLC. (UL) verification of your facilities and competencies, enhanced opportunities await your sales efforts **Tipco Technologies, Inc.** has demonstrated the sales and technical expertise necessary to fulfill the rigorous requirements of fabricating high-integrity hose assemblies and by fulfilling those requirements has earned you STAR status. Your STAR status also indicates your aptitude for providing vital value-added services for today's demanding end-users.

Tipco Technologies, Inc. will enjoy the benefits of Continental's high profile North American advertising campaign, STAR designation on the Continental website, free use of HoseTrakker 2.0 Online, regularly introduced crimp specifications, and the competitive advantage of being an exclusive Continental Authorized Distributor.

The STAR designation is eligible for one year, after which time we will reach out to you to re-qualify for the program. Look for updates in the coming weeks and months for how to continually optimize your STAR status.

Congratulations again on your distinguished performance and qualification for STAR status!

Best regards,

Randy Kish
